Dear Super Partners Members,

As another year is winding down, we are looking forward to planning and preparing for 2025. At Tennessee State Bank, we are dedicated to making our Super Partners program better and better. Our trips and events are always planned with you in mind. There are 3 to 4 luncheons each year, day trips, overnight trips and extended trips. We travel by motorcoach, plane, train, ship...you name it. Tennessee State Bank will always choose the safest, most comfortable form of transportation in order for you to experience an unforgettable trip with unforgettable adventures. Also, one of the many advantages of traveling with the TSB Super Partners group is the confidence of knowing if something unexpected does occur while on a trip with us, we have a safety net and a trusted team to handle problems. There is no better time than today to start making plans to enjoy the many activities available with our Super Partners program. The votes are in and we just have to brag a bit. When you participate with TSB Super Partners an added bonus is you will be banking with ‘The Best Bank’ who has the ‘Best Boss’ and ‘Top 3 Best Tellers’ in Sevier County, Tennessee!

Please call or stop by any of our branch offices today to find out more about our Super Partners Program that is filled with friends, fellowship and fun.

## Super Partners Enjoying their Time Together

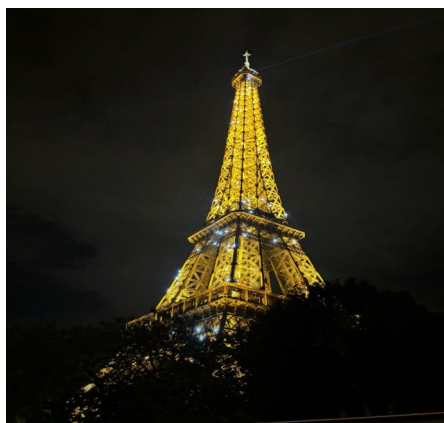

Our Super Partners in Lancaster to see the production of “Daniel” at the Sight and Sound Theatre

While we were in Amish Country, we took a train ride and enjoyed a wonderful meal. We also had a horse and buggy ride to visit an Amish farm. Our weather was wonderful and so was the food.

Our luncheon on the Volunteer Princess in Knoxville in August was a lot of fun...at least for most. The food was wonderful and the fellowship was great. The door prizes were an added bonus and everyone had such great day....well, almost everyone. There was the one table of guests who seemed to be a bit disgruntled. Well, almost everyone was a winner. We have the most fun filled days when we are together with our friends.

Our Super Partners were so busy on our trip to London and Paris. Once again, we were blessed with wonderful weather and a great group of travelers. The Eiffel Tower shining bright and most of the group together at Kensington Palace. There was so much to see and do and we tried to do it all.

### *Our friend*

*We are saddened by the loss of our dear friend, James Frank Parton. Frank was a kind, sweet soul with a great sense of humor. We loved him and he knew it. We have been fortunate to have traveled for many years together and have had so many wonderful times and great memories that bring a smile to our face. Please remember Barbara and the family during the days and weeks ahead.*
