As you make the switch, Tennessee State Bank wants to ensure that you have not omitted any payments. As a suggestion, we recommend that you review your last three bank statements to look for any Direct Deposits or Automatic Payments from your current account.

All Tennessee State Bank branches have the most common Utility District forms on hand to get your items switched. You can also find the forms on our website at www.tnstatebank.com/switch.

You may find this information useful for two common automatic deposits.

Social Security
