Almost Spring...WooHoo

We definitely do not want to wish our lives away but we certainly are happy to see Springtime just around the corner. With the beautiful Springtime, comes Daylight Savings Time which will take place Sunday, March 9. This is just in time for our very first day trip scheduled for March 18. We will be traveling to Cumberland County Playhouse to see the comedy, "Moon Over Buffalo". We have planned a trip to Amish Country again this year. We have made a few good changes to the itinerary. For example, on our return trip we will spend the night in Charlottesville and visit Monticello the following day. Monticello is the home of President Thomas Jefferson. We have lots of fun times planned for this trip and for all of our Super Partners events in 2025. This newsletter contains detail for several of those. If you see a trip or event you would like to participate in, please call and save your space. We look forward to seeing you soon.. *Barbara and Dwinita*
